Explanation (with simple Hindi terms)

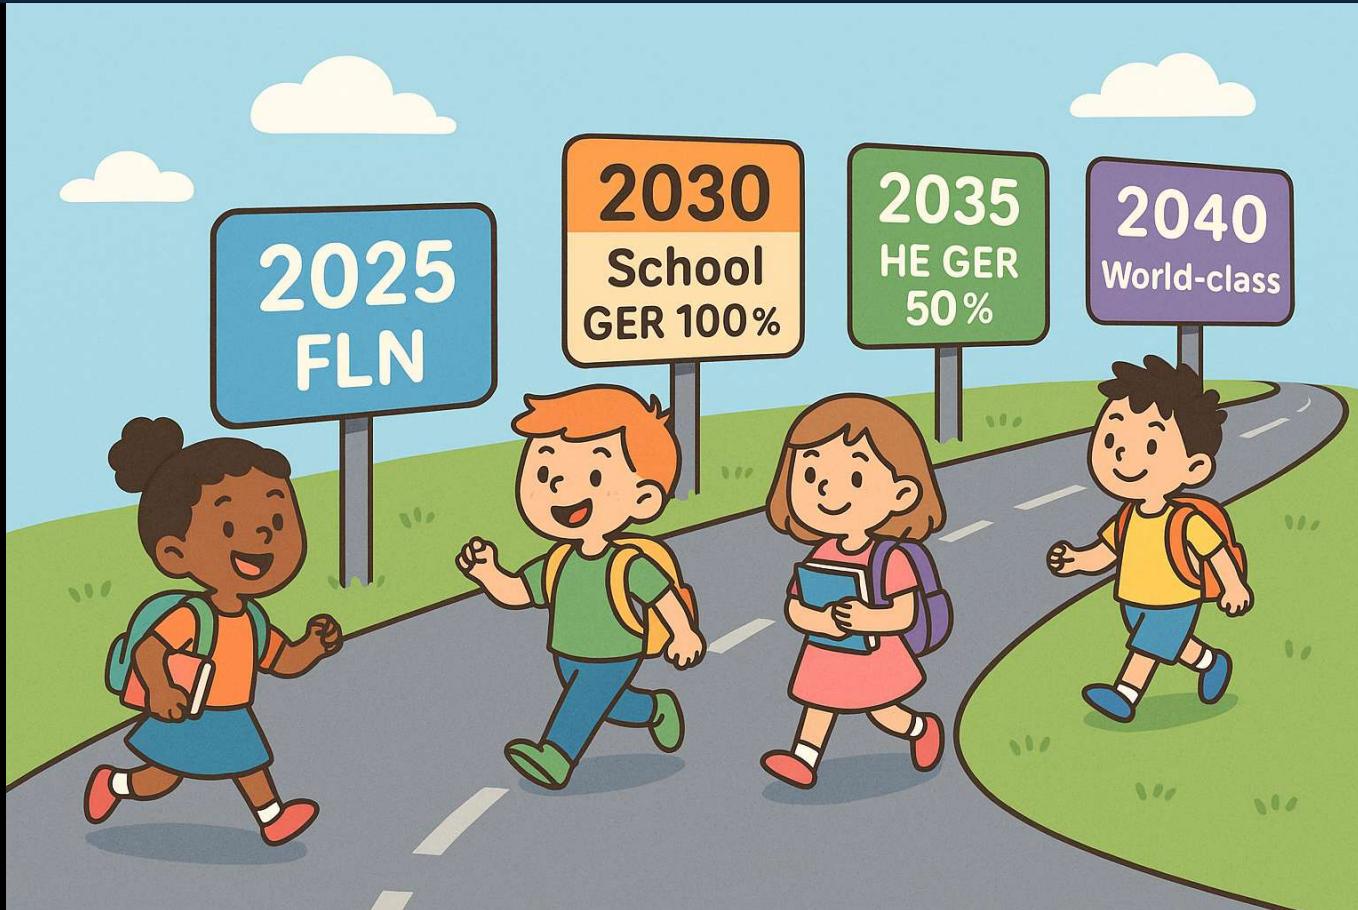

- - **Big Vision (2040)**: By 2040, India aims for a school + higher-ed system that's "second to none" (bahut top-class), with quality, equity, inclusion for all learners.
- - **Universal Access by 2030**: Pre-school to secondary (Grade 12)—100% GER (Gross Enrolment Ratio) target by 2030. Think: "har baccha school mein".
- - **FLN mission by 2025**: Foundational Literacy & Numeracy (पढ़ना-लिखना और गिनना) for every child by Grade 3—deadline 2025. Highest priority!
- - **Energizing Breakfast**: Mid-day meal + simple breakfast (sattu/chana + gur type) to boost morning learning. Health cards too.
- - **GER 50% in Higher Ed by 2035**: Higher education (including vocational) → 50% GER by 2035 (isko yaad rakho—bahut pyaara MCQ banta hai).

Mnemonic

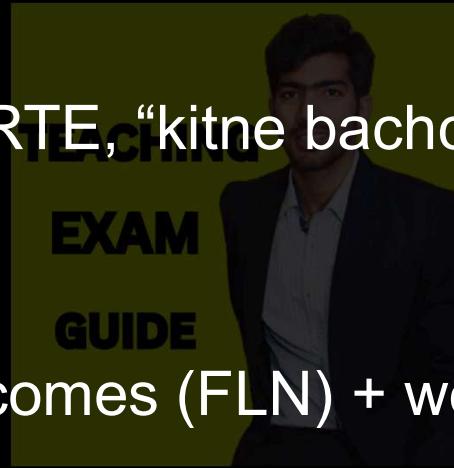

- “**20-25-30-35-40**”
- Policy 2020,
- FLN 2025,
- School GER 2030,
- HE GER 2035,
- World-class by 2040.

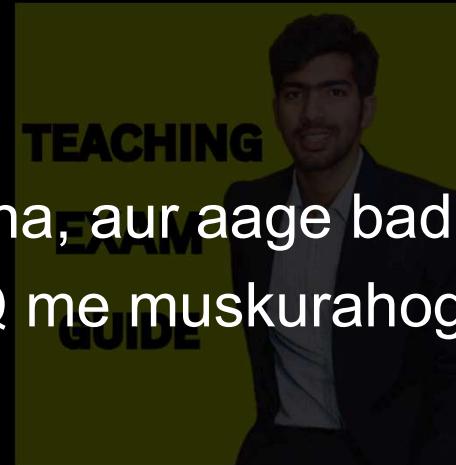

Comparison / Example (Then vs Now)

- Then: Focus = enrolment, RTE, “kitne bachche aaye”.
- Now: Focus = learning outcomes (FLN) + wellbeing (breakfast) + higher-ed expansion.

Conclusion

- NEP ka seedha funda
- sabko school, sabko seekhna, aur aage badhna.
- Timelines yaad rakho, MCQ me muskurahoge!

Core Explanation

- **Age Coverage: 3–18 years total. (Pre-school included!)**
- **Foundational Stage (आधारभूत):** 5 years → 3 years ECCE (Anganwadi/Pre-school/Balvatika) + Class 1–2; ages 3–8. Play-based, activity-based.
- **Preparatory (तैयारी):** 3 years → Classes 3–5; ages 8–11.
- **Middle (मिडिल):** 3 years → Classes 6–8; ages 11–14; 3 years—yaad raho!
- **Secondary (माध्यमिक):** 4 years → Classes 9–12; ages 14–18; greater flexibility, no hard separation among arts/science/vocational.
